class. It developed later that dimmy's failure to show up in his regular class room was due to the fact that he was trying to support his wickowed mother and two support his wickowed mother and two amall brothers by doing odd jobs. He took a great shine to teacher "right off the real" and buckled down to hard work just to show her what he could do.

In one year young Peddo covered a three wears course and established such a record for scholarship and deportment that he was sent to a class in the grammar department. He kept up his good work there and it naturally followed that he was recommended for membership in the school's cadet corps, a reward of merit for the good boys only. He was made captain of Company A and was in line for promotion to cadet major when he was obliged to leave school because he had to go to work.

Last Wonday eyeCapt Jimmy died

lime for promotion to eadet major when he was obliged to leave school because he had to go to work. I ast Monday ex-Capt Jimmy died at Christ Hospital following an operation for appendicitis, and the news produced genuine sorrow at the school on the following morning. The cadets asked opermission to honor their dead former comrade who had made such a fine record, and Principal Thompson gave the cadets leave to act as a fineral escort.

The Rev. Father Frederico offered a high mass for the happy repose of Jimmy's souly yesterday morning at the Holy Rosary Catholic Church and a large number of the ex-hookey player's admiring friends knelt in the pews. Half a dozen school-bova who acted as Jimmy's pallbearers rode in coaches behind the hearse as the solder boys took their last march with the ex-captan past the old school on their way to the Holy Name Centertry where Bugler Tony Geradano sounded taps over Jimmy's grave.

That is, by the Elaw Partner of Another and a large of the Course of the Mayer of Ottowile. up-State witnesses, who went all Mortimer M. Solomon sued his former a wisp of hav protruding from his mouth law partner of five years standing, Isidor at a raisish angle, swapped knives with Gainsburg, and asked to have a receiver every one he could engage in conversaof the conartnership of Solomon & Gainstion. Just how it worked his victims P. Allds, one for \$500 and another for \$500. So lake found Alids's check for \$500. So of the copartnership of Solomon & GainsThere were checks of other accounts, the accounts of other members of the Legislature, that I might have had if I had wanted them, but since I was confining to the Alids case I did not make particular note of them. I found five or with a flood of second-loss and disgraceful at the country which were plants at the country with a flood of second-loss and disgraceful at second-loss and disgraceful at the country which were plants at the country with a flood of second-loss and disgraceful at the country which were plants at the country with a flood of second-loss and disgraceful at the country which were plants at the country with a flood of second-loss and disgraceful at the country which were plants at the country with a flood of second-loss and disgraceful at the country with a flood of second-loss and disgraceful at the country with a flood of second-loss and disgraceful at the country with a flood of second-loss and disgraceful at the country with a flood of second-loss and disgraceful at the country with a flood of second-loss and disgraceful at the country with a flood of second-loss and disgraceful at the country with a flood of second-loss and disgraceful at the country with the co of the copartnership of Solomon & Gainsix numbered accounts which were plainly slinds, but there was no key to them.

"I made investigation and codification of all these nutters, got stenographers' in the Court denied the motion for a reminutes of matters concerning the Fifth ceiver, but said he would appoint a referee venue bus legislation in 1900, made gomand everybody knew where he First Assistant District Attorney got it First Assistant District Attorney John Hetherington, who has charge of the prosecution, says he expects to get his before the farmers go home

his before the farmers go home. Owing to the delay of the witnesses in getting in from Sullivan county it was 2 o clock before the indicted men were called up for trial. At the last moment they said that the counsel they had employed had deserted them after getting all their money and that they were not ready to go to trial. Apprised of the situation some time ago, Judge Humphrey had assigned Daniel F. Murrhy to, look after the interests of the defendants. He asked for separate trials for all three, and fendant would take pages to narrate, so he mentions just a few in six typewritten nages. Among other things he says that Geinsburg "left him penciless," and he "the father of two children and the husband of a true and loving wife.
Geinsburg says that such loose, disjointed and contemptible statements are the result of the plaintiff's mental aber-rations" and that he himself did all the important work of the firm—commercial asked for separate trials for all three. and benkruptcy cases.

Solomon retorts that three of Gainsburg's clients went to jail and mentioned

asked for separate trials for all three, and Mr. Hetherington selected Abraham haskowitz as the first to be tried.

On being called to the bar Laskowitz in broken English made a pleat in his own behalf. He said he had given all his money to a lawyer, who had gone away and left him. He asked for a week's further delay. Judge Humphrey refused to grant the delay. Mr. Hetherington suggested that the defence have until Menday to get their witnesses, as it would Monday to get their witnesses, as it would probably take the prosecution all the intervening time to get the case ready. It was agreed to get the jury and adjourn It was agreed to get the jury and adjourn
the opening of the case until this morning.
This was joyful news to the batch of
up-State witnesses. During their stay
in this city they will be under the care of
Police Lieut. John A. Butler, who is attached to the office of the District Attorney in Queens.

JOHN R. WALSH BABLY BROKEN. Former Banker's Condition Causes Pri Officials Much Uneasiness.

LEAVENWORTH, Kan., April 13.—The physical condition of John R. Walsh, the GENNARO PESCE, STOWAWAY. Chicago ex-banker serving a sentence in the Federal prison here, is causing the officials uneasing

Walsh's health has shown no improve is said that he has broken down in the last few weeks and it is feared that he may

him trouble him trouble.

He reports at his desk in the bureau of criminal identification each day, but he has been able to do little work. Many of the duties assigned to Walsh, in fact, are performed by others.

Mr. Walsh is not aware of the steps being taken to ask President Taft to pardon him.

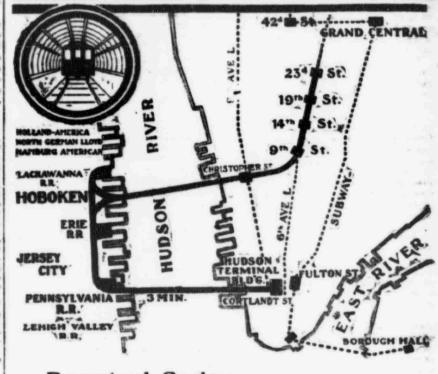

Briff Clothes-Ready to Wear

Batter Up!

THERE'S a pennant in the clothing field. And it will be won with the favor of men who love fair play and applaud merit on the diamond. We are out to win it. We have trained for the contest. Our strength as an organization springs from a pure, well-digested purpose-to clothe men with good clothes, to give full value. The one who can outdo us in this will beat us to the pennant; but there will be reward enough in the joy of clean competition, and in the substantial esteem which will be accorded to sincere and able effort in the clothing field by all men whose pulses beat quicker when the umpire calls-"Batter up!"

Spring Suits and Overcoats for Men, \$15 to \$35. For Young Men and Boys, \$10 to \$30.
